To Whom It May Concern:

Last week, our team had the pleasure of attending a Virtual Employee Appreciation Event which included Lars Callieou as the main act for the evening. Not only was Lars entertaining and his comedy set was hilarious, he interacted with the participants throughout the evening which led to a higher level of interaction and engagement.

He was very funny and the show was family friendly entertainment which our entire team enjoyed thoroughly. Throughout the planning process for the event, Lars was professional, easy to work with and provided confidence that the event would go off with a hitch. Of course it did and he kept me laughing through the entire process.

We are grateful to Lars for an incredible evening and look forward to our next event with him!

Sincerely,

Amanda L.
